

## Cardiac Sonographer

**Status:** PERMANENT FULL TIME

**Hourly Wage:** \$33.29 - \$41.61

Are you a **Cardiac Sonographer** who likes new challenges, loves the outdoors and values work life balance? If so, then Penticton Regional Hospital (PRH) in the South Okanagan is the place for you! We currently have an opportunity for a Permanent Full Time Cardiac Sonographer with our team.

This position will work days and evenings with the shift times being 07:30 to 17:22 or 12:00 to 21:52.

### What Will You Work On?

The Cardiology Department consists of 3+ Ultrasound Rooms and services offered include: Adult and Pediatric Transthoracic Echo, Contrast and Saline Bubble Echo, Transesophageal Echo and Stress Echo (Exercise and Dobutamine). Our Cardiac Sonographers at PRH work with Philips equipment that was purchased in the last 2 years

### How Will You Create Impact?

Many nearby communities rely on our site for imaging resulting in a very busy and diverse atmosphere. The successful applicant will be providing ultrasound services to inpatients and outpatients, making a difference within many communities.

### How Will We Help You Grow?

Tailored orientation to successful applicant, position, department and hospital. We will provide opportunities for professional growth. This position is eligible for our comprehensive benefits plan that includes coverage for basic Medical Services, Dental Services, and Extended Health. We offer generous vacation entitlement and Pension Plan. **Relocation allowance is offered to eligible new employees.**

### Who Are We Looking For?

We are looking for a team player with great patient care and exceptional communication skills! The successful applicant needs to be flexible as the environment is ever changing.

## Qualifications

Graduate of a recognized/accredited program in Diagnostic Medical Sonography (Ultrasonography).

Current certification with Sonography Canada as required for the assigned practice area (such as, Generalist and/or Cardiac) and/or current certification with the American Registry of Diagnostic Medical Sonographers (ARDMS) as required for the assigned practice area (Cardiac and/or Vascular) or be certified with Sonography Canada and have passed the Sonography Canada Skills Assessment (CCSA).

Eligible for membership with Sonography Canada and/or ARDMS.

## Comments

This posting is covered by the Provincial Health Officer's mandatory COVID-19 vaccination orders and selected applicant(s) must comply.
