IMAGING MANAGER

West Coast Medical Imaging invites applications for a unique Imaging Manager position, with a focus on ultrasound and quality assurance. The successful candidate will require a combination of technical, management and administrative skills. This Position will be based in Vancouver.

KNOWLEDGE, SKILLS, AND CERTIFICATION:

- Minimum of 5 years Canadian experience, with current CRGS certification with Sonography Canada.
- Comprehensive knowledge of regulatory and DAP guidelines and requirements.
- Possess excellent organizational and interpersonal skills, with a demonstrated ability for outstanding communication (orally and in writing), as well as possess the capability to deal effectively with patients and their families, radiologists, co-workers, referring physicians, other health care staff, and staff of external agencies.

DUTIES AND REQUIREMENTS:

- Ensures that sonography staff is in compliance with diagnostic imaging Policies and Procedures, including upholding WCMCI Quality Assurance program standards, and that procedures are strictly followed.
- Participate in recruitment, assessment and training of new staff, including performance reviews.
- Work with the Medical Director to ensure standardization of protocols across clinics.
- Participates in critical reviews of key indicators, incidents, audits, inspections and improvement opportunities resulting in effective implementation of corrective actions. This will include working directly with the Radiologist and Operations Team to develop action plans to reduce both incident frequency and severity.
- Champions WCMCI existing/new programs and participate on internal/external committees/teams and approved projects as assigned.
- Participate in DAP activities, including development and implementation of new policies and procedures.
- Prepare schedules and shifts for sonography staff.
- Demonstrated ability in CPR techniques.
- Other duties as required.

Please send a cover letter and resume to: careers@westcmi.com, attention Dianne Bida, Regional Imaging Manager.

We thank all applicants and only short listed candidates will be contacted.
