

## **Full and Part-Time Sonographers wanted for Clarke Medical Imaging Center**

Clarke Medical Imaging Center is looking for full and part-time Sonographers to join our well-established and expanding medical clinic. Clarke is located in the heart of Montreal in the Côte-des-Neiges area, a few blocks from the Jewish General Hospital.

We provide medical imaging services including ultrasound, Xray, MRI, mammography, DPX, and fluoroscopy.

Our Sonographers work in collaboration with our radiologists, technologists and other key personnel, performing US examinations on our multicultural patient base.

New equipment and a pleasant, collegial environment make working here more enjoyable.

Pay and benefits are competitive.

This can be a wonderful opportunity for a new start in one of the most diverse and engaging cities in North America.

### **REQUIREMENTS**

- Graduate from a recognized sonography school in Canada or 5+ years of experience.
- Must be able to obtain a permit to practice sonography in Quebec from the OTIMROEPMQ.
  - Sonography Canada usually taken as equivalent.

Please submit your CV to Marie-Claude Perrault, at: [marieperrault@clarkeradiology.com](mailto:marieperrault@clarkeradiology.com) or call 514-738-1164 ext. 316.

Have questions? All inquiries are welcome.
