#### Job Description

Saskatoon Health Region is currently seeking sonographers for permanent opportunities.

Join the largest health region and the largest employer in the province of Saskatchewan, providing services to over 340,000 residents! Our team includes:

- Over 14,000 employees
- Over 1,000 physicians Be part of the excitement as we transition into the new Children's Hospital of Saskatchewan (CHS), the first dedicated state of the art children's hospital in the province. Located in Saskatoon, the CHS is currently under construction, with opening day scheduled for 2019!

#### CAREER CHOICES

Our medical imaging departments provide a variety of services at multiple facilities, both urban and rural. We have exciting opportunities for sonographers to train and work in a variety of areas and strive to provide an environment for our sonographers to use, perfect and grow their ultrasound skills.

#### MEDICAL IMAGING LOCATIONS

Royal University Hospital • Saskatoon City Hospital • St. Paul's Hospital • Humboldt District Health Complex

#### REWARDS / INCENTIVES

- Relocation Assistance
- Signing Bonus
